OUR Responsibility

CREATE A SAFE COMMUNITY

• Get to know your neighbors and talk with them about neighborhood expectations
• Form agreements with neighbors to watch each others’ homes
• Make sure your out-of-town guests know that Isla Vista is your HOME!
• Join the Adopt-A-Block program (volunteer street cleaning crews); call 805-968-2017
• Get active with other UCSB students on community concerns - contact A.S. External Vice-President, local affairs, 805-893-2566; evplas@as.ucsb.edu

PARTY SAFE: REDUCE THE RISK OF ACQUAINTANCE ASSAULT

• DON’T LEAVE A FRIEND STRANDED!
• Trust your intuition in uncomfortable situations; leave the situation if you feel that you are at risk
• Pour your own drinks and keep them in your possession at all times
• You have the right to hook up how you want to, or not at all. Your body, your rules
• Take ‘no’ as ‘no’ the first time. Don’t pressure someone into sex
• If you assault or sexually assault someone while you are drunk, you are responsible for your actions

LIVE SAFE!
Most sexual assaults on women in Isla Vista are committed by men they know, not strangers. This is a problem that requires the individual commitment of each of us to change. Follow UCSB CARE and the Women’s Center on Instagram to get involved

KNOW THE LAW
Santa Barbara County Sheriff’s Zero Tolerance Policy—this means that instead of giving a warning, citations will be issued and instead of citations, arrests will be made. Violations include:
• fighting in public; other acts of violence
• furnishing alcohol to a minor
• minor in possession of alcohol
• presence of alcohol in a vehicle if under 21 years of age
• public intoxication - mandatory license suspension for under 21 years of age
• open alcohol containers in public
• DUI/BUI
• violating the noise ordinance (10pm Sun-Thurs and 12 midnight Fri/Sat)
• urinating in public
• burning couches or vehicles (any kind of arson!)

REDUCE CRIMES OF OPPORTUNITY
• Call a CSO escort (893-2000 or pick up any red emergency phone on campus). IT’S FREE 24 hours a day
• Pay attention to your surroundings
• Carry your keys in your hand to avoid fumbling for them in a backpack or bag
• Keep your doors locked day and night.
• Know your neighbors and know which ones you can trust in an emergency
• Leave spare keys with a friend, not under a door mat or somewhere obvious
• Check to see who is at the door before opening it
• Call Isla Vista Foot Patrol if you suspect an intruder or hear strange noises or in an emergency
• Demand adequate lighting around your building. Talk to your landlord or CHO (805) 893-4371.
