PARTY SAFE: REDUCE THE RISK OF ACQUAINTANCE ASSAULT

- Plan your party in advance; call Isla Vista Foot Patrol to deal with party crashers
- DON’T LEAVE A FRIEND STRANDED!
- Trust your intuition in uncomfortable situations; leave the situation if you feel that you are at risk
- Pour your own drinks and keep them in your possession at all times
- Communicate what you want—Say “yes” when you mean yes and “no” when you mean no. Take “no” as no the first time
- You have the right to not be sexually assaulted
- If you assault or sexually assault someone while you are drunk, you are responsible for your actions

LIVE SAFE!

Most sexual assaults on women in Isla Vista are committed by men they know and trust. This is a problem that requires the individual commitment of each of us to change. Join Students Stopping Rape every Wednesday at 5 pm at the Women’s Center.
